SUMMARY

Highly motivated and experienced in various types of jobs ranging from managing, communication to keeping a ledger. I have a lot of experience in communicating with the customer and my team to achieve the company goals. I do extremely well in high pressure situations. Currently participating in the Powercoders Bootcamp, and seeking an opportunity to leverage my skills like HTML, CSS and JavaScript as an intern in your company. I am also very flexible and open to any other fields. I am motivated and driven to contribute immediately to your company and learn as much as possible.
